Model Train Display

Enjoy a model railroad display in the Community Room! Division 4, the local group of the National Model Railroad Association, will display its modular model railroad. A step beyond “toy trains”, it consists of scenery, track-work, locomotives and rolling stock, giving a more realistic view of actual railroads.

is to spread the word about this fascinating hobby, to entertain the public and to attract new modelers.

Vermilion’s history is linked to railroads and today the town is a favorite stop for Railfans, people who watch, document, film and photograph trains. Division 4’s mission
